

June 20, 2022

Hello Cougars and Cougar Family!

It is with great pleasure that I introduce myself as your next Principal of Conway Middle School. I am elated and extremely excited to be a part of your Cougar family! Let me take just a moment to tell you a little bit about myself. I grew up in a small town called North, South Carolina with my parents (who still live there) and my 2 sisters and 1 brother. I attended South Carolina State University, where I received my Bachelor's degree in Secondary Mathematics Education. I also attended Southern Wesleyan University and Charleston Southern University to get my Masters degrees in Curriculum and Instruction and Education Administration, respectively. I earned both my Specialist and Doctorate degrees in Education Administration from South Carolina State University. I have worked in education for 23 years. My husband Frank and I blended two families and now have a total of 6 children ( 4 girls and 2 boys). And lastly, I am a "NieNie" to one very special little girl, Miss Jenivieve (lots more about her later!)

Now on to my vision for Conway Middle School. We are "a diamond in the rough", therefore, my vision is actually very simple: To make Conway Middle School an exemplary school in JCPS. This is a vision that I believe we can and will do. Our school has built the foundation needed to ensure that we become great. Together we can take that strong foundation and build an even stronger school. We can work together to make sure that our students are given every opportunity and resource needed to be successful. Our school and our community working together can make the difference that our students need to be even greater than they are already.

With that being said, I would like to invite you to the first opportunity to meet me in person. I will be hosting a "Cupcakes & Chat" event on Jul 25, 2022. During this time I would like to be able to meet with you, and dedicate this time to listen to you, hear your concerns, receive your well wishes as well as answer any question you may have. I will have 3 small group sessions at 9am, 11am and 1:30 pm You may also simply stop by, grab a cupcake and chat with me in between sessions until 4pm. If you are unable to stop by on this date, we will also host a community meet

and greet in August. The details for this event will be forthcoming. Again, I thank you so much for welcoming me into your school and your community. I look forward to working with you and building some strong relationships with you as we work together to make Conway an exemplar for other schools in JCPS.

Sincerely,

Dr. Jeannie R. Lett,

Principal, Conway Middle School
