

August 4, 2022

Hello Conway Parents! It's almost time for our students to return to school. August 10 is our return date. As we get closer to that time, if you have any questions or concerns, I encourage you to contact us here at the school. We are working daily from 8am-3pm.

Just a few reminders as we prepare to start the year off. Our students do not wear uniforms, but we do have a dress code that we adhere to. You can review the dress code on our website @ <https://conway.jcps-ky.com/Dress-Code>. School begins for all students at 7:40 am. We release our students at 2:20 pm. Car riders will be picked up in front of the school building. Our buses will leave the campus by 2:30 pm, unless there is a situation that causes a delay. Should you need to contact your child during the school day please call the school office on 485-8233.

By now you have heard about the extreme teacher shortage across the country. Unfortunately, this shortage has also affected our JCPS schools. Please know that the school and the district are working tirelessly to ensure that we can equip every classroom with a highly qualified educator. Therefore, our students may have schedule changes occur as we continue to try to provide small classes and/or the best educational setting and services for our students.

Lastly, we ask that you support our students and teachers this year as in previous years. We currently have 3 opportunities for you to show support:

- ☺ First, we ask that you join our school PTSA. We are in the process of reinvigorating our Conway PTSA and need your help. Membership is only \$5. PTSA is a huge support for our students and our teachers, and it is my desire as principal, to have them become a permanent component of the Conway MS community. Please contact the school for more information.
- ☺ Second, the KY Area, Keurig Dr. Pepper Sales and Distribution department has agreed to adopt our school for the 2nd year in a row. We have created a wish list through Amazon and ask that you share this link with friends and family as we collect supplies for our students. The Amazon link for your donations is https://www.amazon.com/hz/wishlist/ls/58G29BQXERZA?ref_=wl_share
- ☺ Lastly, we have also created a link for parents and community members to make other monetary contributions to our school to help support events such as Teacher Appreciation Week and our Hospitality fund to support our teachers in the event of a personal emergency. Again, we appreciate your support and thank you for your decision to contribute. Please follow the links below to make any donations.

Thank you so much for allowing us to take care of your students at Conway Middle School. We look forward to working with you and your child(ren) this year.

We are going to have a GREAT year!!!!

Respectfully,

Dr. Jeannie R. Lett
